

## Word Bingo

A fun way of helping a child to recognise words.

2 or more players

- Draw a basic tree, choose 6 words the child has been working on to write on the tree.
- Give the child 10 words including the 6 on the tree.
- You call out a word and they have to see if they have a match - if they do they have to place it on the matching word on the tree.
- They win when they have a full tree.
